## AN EARLY START FOR 2012!

### *Sabrina R. Again Leads List of Returning Campers*

The two months since the end of the 2011 camp season seem to have flown by, and plans for 2012 are now well under way with an early flurry of responses from campers eager to return for another Watitoh summer. Sabrina Riebman again leads the way as “first” for the new season, closely followed by Emily and Brandon Goodman, Michelle, Rachel and David Levy, Matthew Neschis, Nathan Schmitt, and Ellie Lester, just to name a few.

Other early returners include Oscar Aumont and younger brother Adrien – who has the honor of being one of the first new campers enrolled for 2012. The list grows daily and includes returning veterans as well as younger siblings and other new campers.

Our long standing leadership team: HC’s Scott Rimer and Chrissy Spark, and Waterfront Director Dave Sycamore are hoping to return to camp as well; as are many of our counselors, in all age groups.

### *See you at the Reunion!*

A definite highlight of the “off-season” is our annual camper reunion which will be on Sunday, November 13, from 12-2:30 at the Radisson New Rochelle (same location as last year).

We look forward to seeing everyone there.

Please RSVP to the camp office if you are planning to attend.

We will also be making our annual Montreal visit the following weekend – November 19-20 and look forward to seeing our Canadian friends while we are there.

## A Calendar Preview!

Here are some highlights from the 2012 Watitoh photo calendar, now in production. The calendar is expected to be printed in late November and will be mailed to all campers and counselors before the end of the year.

Each month has a large picture of some event from the summer as well as smaller shots of activities and other candid moments.

Additional pages are devoted to various special events throughout the summer. Start watching your mail box after Thanksgiving. You will not want to miss this year’s calendar!
